Gentlemen:

We are preparing to publish a list of the Life Saving Medals that have been given out in this country, including Governmental, State, Organizations etc., both for saving life on sea and land.

We understand that your organization gives a medal for saving life. If so, could you send us full particulars concerning it, such as, what it is awarded for, its scope, when and how awarded, etc? We would also like a photograph or reproduction of this medal and the metals in which it is issued.

Very truly yours,

HW:JG
